- You started a new job.
- You are no longer a dependent.
- Your individual circumstances may have changed (for example, you were married or have an additional child).
- You moved into or out of NYC or Yonkers.
- You itemize your deductions on your personal income tax return.
-

Additional dollar amount(s)

You may ask your employer to withhold an additional dollar amount each instances, if you compute a negative number of allowances and your employer cannot accommodate a negative number, for each negative allowance claimed you should have an additional \$1.85 of tax withheld per week for New York State withholding on line 3, and an additional \$0.80 of tax withheld per week for New York City withholding on line 4. Yonkers residents should use 16.75% (.1675) of the New York State amount for additional withholding for Yonkers on line 5.

Note: dollar amount, as determined by these instructions or by using the chart(s) in Part 5 or Part 6, is accurate for a weekly payroll. Therefore, if you are not paid on a weekly basis, you will need to adjust the dollar amount(s) that you compute. For example, if you are paid biweekly, you must double the dollar amount(s) computed.

Avoid underwithholding

designed to ensure that the correct amount of tax is withheld from your pay. assess interest and may impose penalties in certain situations in addition that you owe personal income tax, and we may assess interest and penalties on the amount of tax that you should have paid during the year.
