

Suffolk County Community College

533 COLLEGE ROAD, SUFFERN, NEW YORK 10784

member is absent from all or a majority of his/her scheduled meetings.

When a faculty member's absence from his/her regular day meetings constitutes his/her personal emergency, the faculty member shall be notified by the college in writing. This policy shall apply when a faculty member is absent due to travel at the request of the college for college business purposes.

When a faculty member's absence from his/her regular day meetings constitutes his/her personal emergency, the faculty member shall be notified by the college in writing. This policy shall apply when a faculty member is absent due to travel at the request of the college for college business purposes.

If you agree with this proposed amendment, please initial the attached copy and return it to my office. I will return the appropriate number of copies to you in a separate envelope.

If you have any questions on this proposal, please let me know.

Executive Order No. 105, s.n. 1987, on the subject of "The Department of Education"

WHEREAS, the Department of Education is the principal government agency responsible for the development, implementation, and monitoring of the national education policy and the improvement of the quality of education in the Philippines;

AND WHEREAS, the Department of Education is currently undergoing a reorganization process to enhance its effectiveness and efficiency in the delivery of educational services;

IT IS HEREBY ORDERED that the Department of Education shall be reorganized in accordance with the following provisions:
