

MATRICULATION POLICY

I. Matriculated Status

Matriculated status is granted to every student who is admitted into a degree or certificate program at Suffolk County Community College. Matriculation assures a student that the requirements for a particular program which are in effect at the time of matriculation will remain in effect until that student graduates.

Matriculated students may attend classes on a part-time (1-11.5 credits per semester) or full-time (12 or more credits per semester) basis and may schedule their classes

Non-matriculated students must apply for admission or readmission to continue in a program and are required to follow the curriculum requirements for the term of application. Students who have previously attended Suffolk, but are not in good academic standing, must see a Campus Associate Dean of Academic Affairs for evaluation of readmitting into a program.
