~~OPPORTUNITY. THIS PROGRAM DOES NOT PROVIDE~~  
~~SCHOLARSHIP FUNDING.~~

An Academic Support Program funded by the National Science Foundation

## STUDENT APPLICATION

SCCC LSAMP is funded to increase the number of underrepresented minorities (African-American, Latino, Native American, Alaskan Native, Hawaiian Native, and Native Pacific Islander) who pursue careers in science, technology, engineering and mathematics. Applicants must be either a US citizen or a permanent resident of the United States. The LSAMP program is especially interested in high-achieving students who intend to pursue advanced studies in science or mathematics and bachelor degrees in engineering. *The LSAMP program is not funded to support, and consequently will not support, students declaring majors in pre-medicine, nursing, or allied health sciences.* All application information will be held in strictest confidence.
